Dear Doctors

Congratulations. For what you have achieved and for what you are going to be..

Now that you are a post graduate, I understand your ultimate dream of becoming an acclaimed super specialist. I believe that the future belongs to those who believe in the beauty of their dreams. It all depends on, where you study, what you study and your efforts...Hard work, Sincerity & Commitment.

That is where and when Mahatma Gandhi Medical College and Research Institute of Sri Balaji Vidyapeeth University, checks in, in your life and keeps on helping and supporting you through out your curriculum until you check out as a full fledged Specialist Doctor with a Masters Degree.

One of our modern frontiers is education technology. Sri Balaji Vidyapeeth University continually strives to explore new horizons and has always been in the process of creation. Creation of highly inventive and expert professionals through the adoption of pedagogical innovation introducing significant global trends in education, research etc..

As the mother earth is challenged by various ecological problems and incomprehensible diseases, we unitedly attempt to reach out and help the needy, with our attained scientific strength and never ending research, continuing our effort to unearth effective remedies..

We always measure our success in terms of the success of our students.

With Best Wishes,
M K Rajagopalan
Founder Chairman
SBV & SBECPT

ABOUT MGMC&RI AND HOW IT SUPPORTS YOU TO REALIZE YOUR GOAL.

Mahatma Gandhi Medical College and Research Institute, a Leader in Medical Education, among medical schools in the U.T. of Pondicherry in particular, has been affiliated to Sri Balaji Vidyapeeth University.

The Highly infrastructured College evokes international ambience, with perspectives, ideas, and various cultural traditions. The Institution is committed to help the aspirants reach the acme of their career with Dynamic and Dedicated Faculty Team, full of energy and enthusiasm for their subject areas, who are not only passionate about student learning and development but also active researchers who publish in academic journals. The institution is equipped with excellent lecture halls and extensive use is made of information technology to support classroom activities.

Our State of the Art Hospital, with its large number of departments, labs with latest imported equipments, experienced staff and above all the overflowing clinical material, compliment our modern approach to teaching and learning, thus opening the door to a world of opportunity for the ambitious Doctors to enter their specialist area and realize their goal.

Ministry of Human Resource Development, Govt. of India, New Delhi had conferred the status of Deemed University to our Mahatma Gandhi Medical College & Research Institute, Puducherry vide Notification No:F-9-53/2005-U-3 dated 4th August 2008 in the name and style of "SRIBALAJIVIDYAPEETH".

Location

Mahatma Gandhi Medical College & Research Institute, a Premier, Well-acclaimed, Highly Infrastructured Medical Institution, attached with 1200 bedded Teaching Hospital is located at Pillaiyarkuppam, in Pondicherry. It is easily accessible from Chennai within 3 hours by Road or Rail.

Recognition & Approval

The Institution is Recognised by Medical Council of India and Ministry of Health & Family Welfare, New Delhi. Our institution has been enlisted in the most referred FAIMER International Medical Education Directory published by Foundation for Advancement of International Medical Educational Research, USA. Accreditation by NAAC, NABH & NABL is under process.

International Collaborations

SBV University enjoys International Academic tie-ups with renowned medical schools viz Royal College of Physicians and Surgeons, Glasgow, University of Glasgow and the Hull York Medical school, England.

Infrastructure

The Hospital with its breathtaking appearance is spread over an area of 50 acres. Its architectural structure is no doubt a marvel to proclaim about its exuberant infra structural facilities provided. The hospital has got a state-of-the-art 1200 bedded free teaching hospital with an average of 3000 clinical materials on an average, in a day. The high-tech College facilitated with all amenities and hygienic food is a boon to the student society. The Library housing a vast collection of books, journals and internet facility is a gem on the crown of the college.

Research

Students are exposed to research work and publication. They are encouraged to participate and present papers, at seminars, workshops and conferences. Also conducting CME workshops, seminars & conferences at Regional, National and International level has been a regular event. Eminent and renowned Medical specialists and scientists belonging to various scientific field of study are called upon for guest lectures to gear up the scientific temper in the minds of the student society. Medical education unit & Scientific and Academic Forum conducts regular meetings to provide the Post Graduates/Interns a platform to present their rare-case reports to the elite members of medical fraternity. Our state of the art new Central Research Lab is established with all ultra modern facilities.
