Decks and Dice- Freshers Day Celebration 2019

Date: 09/10/2019

The first day of college marks the beginning of a new phase in each and every one's life. And the best way to welcome them into this new phase is a freshers party. Freshers party, where there is happiness and joy all over and excitement shines brightly in everyone's eyes.

The batch of 2016- Genezenz and Students Council 2019 did a great job in welcoming the Batch of 2019 into this world of MBBS. On one hand where the freshers were struggling with anatomy and biochemistry, the students council was busy planning such an event for them, that would take their stress away in a jiffy and give them a much needed break.

Setting the theme to casino inspired Decks and Dice, which signified that life is a game with ups and downs and victories and defeats, we tried to spread the message that no matter what, everybody is a winner at the end of the day, just that the magnitude of the victory differs.

The event took place on 9th Oct 2019, and was graced by the presence of a panel of fun loving and student friendly judges and dignitaries: Dr. Partha Nandi, VP Students, Dr. Seetesh Gose, VP Curriculum, Dr. Kannan, Dept. Of Surgery, Dr. Sushma, Dept. Of Orthopedics, Dr. Uma, Dept. Of Pharmacology, Dr. Nirmal Daniel, Dept. Of Pathology, Dr. Archana, Dept. Of Anaesthesiology and Mrs. Moon Nandi, who always supports us in different college events.

The program started with a warm welcome note by Mr. Kuralarasan, President- Students council after which the celebration began on a melodious note where the new singers and musicians left everyone enchanted with their notes. The students performed a medley which sounded like an amazing multilingual jukebox packed with all kinds of songs. The environment was so musical, that even Dr. Partha sir and Dr. Nirmal Daniel couldn't control themselves and put together an Impromptu mini concert for the audience and mesmerised the audience.

The energy in the hall increased exponentially as the dance programs began. The students portrayed a variety of dance full of energy and flexibility and grace. The dancers set the stage on fire and made the audience jump from their seats.

The most awaited event, as always, was the Fashion Show and all the normally lowkey medicos were all dressed up glamorously, nothing less than professional models. They put up an amazing show and they audience were left jawdropped. The judges handed over the sashes to the winners towards the end.

The program ended with hundreds of feet dancing in the lecture hall turned into a dance floor by a surprise DJ followed by Vote of thanks by Mr. Srisudhan, Vice president- students council.

During initial days the faculties of AHS go on rounds to the clinical posting areas of the junior students and see that no ragging takes place during college hours.
