Celebrations from 19<sup>th</sup> Jan to 31<sup>st</sup> Jan 2021

## ***From Organising Chairman – Dr. P. S. Manoharan, MDS, PGDHPE, [PhD]***

It gives me immense pleasure to compile and present this report of the Prosthodontist Day Celebrations

The TEAM PROSTHO started planning for the events to be conducted for Prosthodontist Day keeping in mind the existing pandemic scenario.

The programme objectives are

- To instill prosthodontic spirit and fervor among the budding dentists
- To provide awareness and treatment on replacement of teeth
- To provide patient care

90% of Events which were conducted for students were made online.

Patients who are to receive free treatment are asked to be approached only based on appointment and ensured proper sanitisation and precautionary measures during treatment. With the above said limitations the TEAM PROSTHO executed the programme with all meticulous planning .

Happy to be a part of PROSTHODONTIST FAMILY. Thank you IPS AND TNIPS
