

Report on Communication skill -2017

Medical Education Unit (MEU) Organized a Comprehensive Induction and Orientation Program for the Fresh residents. The first part was held on 9th June 2017. The Program started with invocation and lamp lighting ceremony. Prof. V. N. Mahalakshmi, Vice Principal Curriculum, welcomed the gathering. This was followed by self introduction of the HODs and participants. Prof. M. Ravishankar, Dean (Admin) explained about Competency Based Teaching and Learning (COBALT) model pioneered by the MGMCRI. Prof. NirmalCoumare V, Medical Superintendent talked about expectations from residents in the hospital setting. Prof. K. R. Sethuraman, Vice Chancellor of SBV in his key note address focused on various Learning Skills required for the PGs to excel in their studies. Prof. Karthikeyan, HOD of ENT proposed a vote of thanks. The Psychiatry team conducted a salutogenesis program for Residents. The program evaluation was conducted by the MEU. A large majority of the Participants expressed that the program was highly interactive, useful and the objectives were largely achieved.
