## INSTITUTE OF DENTAL SCIENCES (Established Under Section 3 of the UGC Act 1956) SCIENTIFIC AND ACADEMIC FORUM

**Name of the Programme:** Magic Potion of an Influencer – Importance of Communication skills as a sign of Professionalism

**Speaker:** Mr. Prason Christopher Robin

**Date:** 20<sup>th</sup> Feb 2016

**Time:** 11:00am to 12:00pm

### Report

A stand up Comedy Event was planned by the Scientific and Academic Forum of IGIDS, SBV on the 20<sup>th</sup> of February 2016 on the Communication Skills needed to develop as a Professional. Professionalism through good communication skills was pointed out as an important attribute in a health professional by the speaker Mr. Prason Christopher Robin, A Stand up Comedian from Chennai. He lightened and amused the audience through this witty talk on “**Magic Potion of an Influencer**” The programme was involving participation from the audience with lot of interaction.

**Feedback:** The feedback was obtained through paper and it was found to be excellent and the participants required more programmes on similar areas.

SAF of Indira Gandhi Institute of Dental Sciences, was a motivational and inspiration drawn talk by **Mr. Prason Christopher Robin aka Chronicwriter** for the Undergraduate, Post Graduate, Interns, Faculty of Indira Gandhi Institute of Dental Sciences on 20<sup>th</sup> of Feb 2015 from 11:00 to 12:00 am. The programme titled “ Magic Potion of an Influencer”

**LAMP LIGHTING CEREMONY**

The constituent Nursing Colleges of Sri Balaji Vidyapeeth Kasturba College Nursing College and Sathya Sai College of Nursing has its valued tradition of Lamp lighting Ceremony which is similar to the white coat ceremony. This is remembrance of the lady with the lamp – Florence Nightingale who is considered to be one of the pioneers in nursing care. The solemn function is celebrated with all the seniors of the profession on the dais in the presence of the students. The ceremony commences with a march and the lighting of the lamp followed by the “Nightingale Pledge”. The Chief Guest would address the gathering and the ceremony will recede after the function.

## REPORT

### **INTERN'S ORIENTATION PROGRAM**

The **intern's orientation program** – July-2015 was held on **16.07.2015 and 17.07.2015**, at **class room of MEU (College Block Annexe)**. The program was meant for 38 interns, passed out in June 2015.

Aim of the program was to familiarize new interns with their tasks in the work places which include wards, OPD, emergency room and community. The objectives of the program were to enable the interns for developing good communication skills, both verbal and written, be aware of the psychosocial needs of the patients, appreciate the principles in rational drug therapy, develop and refine the skills of requisitions for diagnostic tests, appropriate techniques for collection and transport of samples for laboratory test, ethical issues involved in patient care, tackle common medico-legal issues, identify their role in a multidisciplinary team, develop a sense of belonging to the institute and stress on their responsibility and accountability towards patient care and to deal with the medical representatives.

The program was structured with interactive lectures, allotment of group tasks, role play by the students and faculty besides discussion of ethical and medico-legal case scenarios. Evaluation of the program was done by using the feedback questionnaire.

It was a collaborative effort of dedicated senior faculties from the institute which included **Dr. K. R. Sethuraman Vice-Chancellor** and Dr. M. Ravisankar Dean Administration.

In the workshop following topics were discussed by respective faculty: 'Why errors occur in the healthcare system' and 'how to prevent them' was dealt by Dr. V. N. Mahalakshmi, Professor of Pediatrics Surgery; Written Communication was discussed by Dr. Seetesh Ghose Prof. & Head OG, Group tasks were conducted by Dr. Tirou Aroul; Verbal communication was covered by Dr. Abu Backer Senior Resident Psychiatry; Group tasks were conducted by Dr. Partha Nandi, Assoc. Professor Community Medicine and Dr. B. Sivaprakash Professor of Psychiatry; Medical Ethics was dealt by Dr. V. N. Mahalakshmi Professor of Pediatrics Surgery; Group tasks were conducted by Dr. N. Ananthakrishnan Professor Surgery, Dr. Seetesh Ghose Prof. & Head OG and Dr. V. N. Mahalakshmi Professor of Pediatrics Surgery; Legal aspects in Medical practice were discussed by Dr. Pramod Kumar Assoc. Professor of Forensic Medicine & Toxicology; Group tasks were conducted by Dr. Satish Kumar Professor & HOD Forensic Medicine; Rational considerations before you order diagnostic tests was discussed by Dr. Manoj Karthik Assoc. Professor Surgery; Rational approaches to

### Report on Interns Orientation Program

On 18<sup>th</sup> September 2015, Intern's Orientation program was organized by the Student Council in collaboration with Scientific and Academic Forum, IGIDS. The Program was conducted at second floor lecture hall, MGMCRI, SBV, at 11:00 AM. The agenda of the program was to give an insight to the students about the future career prospective. The CRRI, post graduate students and faculties of IGIDS attended the program. The program started with welcome address by Ms. Nandini, CRRI, followed by Prayer song. Prof. Sathyanarayanan, PG Coordinator, IGIDS, introduced the Guest Speaker. The Chief Guest Mr. S.S. Ganesh, A freelance trainer and a facilitator, delivered an interactive lecture on "Versatility". He shared his real life experiences and marked a statement "Learn, Unlearn, Learn". The session was enriching, enthralling and energizing. It gave an opportunity to learn about making choices in the career and have time for reflection of the future. The Certificate of Appreciation was given to the Chief Guest Mr. S.S. Ganesh by Dr. Carounanidy Usha, Principal, IGIDS. The program ended with Vote of Thanks by Ms. Nandini, CRRI and College anthem.

## REPORT

### **INTERNS ORIENTATION PROGRAM (IOP)**

While internship is a crucial mile stone in medical education, there is a lack of structured approach to the training of interns in most of the medical colleges in India. Realizing the importance of training interns soon after their induction, the Medical Education Unit (MEU) has been conducting a comprehensive training program in two parts. The first part deals with sensitizing the interns regarding the hospital services, their duties and code of conduct. The second part deals with issues such as patient safety, how to prevent medical errors, importance of team work, communication skills including verbal and non-verbal communication, rational diagnostics and therapeutics, ethical issues, dealing with pharmaceutical industries and medico-legal issues involved in patient care.

During the current session MEU organized a comprehensive orientation program in which 121 interns took part. The program included highly interactive workshop utilizing a variety of techniques, small group discussions, video demonstrations, case scenarios, role plays and buzz sessions.

The Part 1 program was held on 18.01.2016, beginning with a **TED talk on "Doctor's touch"**. The faculty team consisted of **Prof M Ravishankar, Dean, MGMCRI**, Prof. V. N. Mahalakshmi, Prof. Seetesh Ghose, Prof. Gunasekaran, Dr. M. S. Raghuraman, Dr. Nirmal Coumare, Prof. Seetharaman, Dr. Sameer Jahagerdar.

Part 2 of the Interns Orientation Program was held on 5-6<sup>th</sup> February 2016. The faculty team for Part 2 comprised of : **Prof. N. Ananthkrishnan, Prof. K. R. Sethuraman, Prof. V. N. Mahalakshmi, Prof. Seetesh Ghose, Dr. Natesan Damodharan, Dr. Pramod Kumar, Dr. Lakshmi Mani, Prof. Tirou Aroul, Dr. Lokesh, Dr. Mohammed Hanifah, Dr. Smile Robinson, Dr. King Shuk Lahon, Dr. B. Sivaprakash, Dr. Partha Nandi and Dr. Abu Backer.**

Both the programs were found highly relevant and useful by the interns as revealed by the feedback.

## REPORT

### **INDUCTION AND ORIENTATION PROGRAMS FOR THE FRESH RESIDENTS (2016 BATCH)**

Medical Education Unit (MEU) Organized a Comprehensive Induction and Orientation Program for the Fresh residents (2016 Batch). The Program was organized in two Parts.

#### **Part I: Induction Program**

The first part was held on 1<sup>st</sup> June 2016. The Fresh batch of residents were welcomed in a glittering lamp lighting ceremony presided by Prof. K. R. Sethuraman, the Vice Chancellor of SBV. Prof. Nirmal Coumare, Medical Superintendent welcomed the gathering. Prof. V. N. Mahalakshmi, Vice Principal Curriculum introduced the HODs, after self-introduction by the participants. Prof. M. Ravishankar, Dean (Admin) explained about the MGMCRI, its infrastructure and facilities available for the residents. Prof. N. Ananthkrishnan, Dean (Res & AHS) introduced the system of competency based PG Medical Education, which is being introduced by the MGMCRI for the first time in India. Prof. K. R. Sethuraman in his key note address appealed to the residents to be well prepared to deal with the changes necessitated by rising expectation from the community, the global phenomenon of migration of Doctors and the need to impart uniform and high standard of quality services.

Prof. Partha Nandi, Vice Principal student Affairs proposed a vote of thanks. The Program was attended by 77 residents, faculties and HODs from all departments

#### **Induction & Orientation Program Part II**

The part II of the Induction and Orientation Program was organized by the MEU. on three days, viz, 09/06/2016 to 11/06/2016 in the MEU Block. The following sessions were conducted by the faculty members:

Roles and participation in educational activities by Prof. K. A. Narayan; Competency Based Residency Program by Prof. N. Ananthkrishnan; Patient Safety: How can residents' prevent Health care errors and improve 'Quality of Care' by Prof. M. Ravishankar; Resident Wellbeing, Fatigue and Assistance by Prof. Siva Prakash. B; Interpersonal Communications and Working as a member of the Health care team by Prof. Seetesh Ghose; Residents' central role in Critical Information Flow and Documentation by Prof. V. N. Mahalakshmi.

The orientation program included extensive group work and 'hands on' experience as follows;

## REPORT

### INTERNS ORIENTATION PROGRAM PART 1 AND PART 2

While internship is a crucial mile stone in medical education, there is a lack of structured approach to the training of interns in most of the medical colleges in India. Realizing the importance of training interns soon after their induction, the Medical Education Unit (MEU) has been conducting a comprehensive training program in two parts.

The first part deals with sensitizing the interns regarding the hospital services, their duties and code of conduct.

The second part deals with issues such as patient safety, how to prevent medical errors, importance of team work, communication skills including verbal and non-verbal communication, rational diagnostics and therapeutics, ethical issues, dealing with pharmaceutical industries and medico-legal issues involved in patient care.

During the current session MEU organized a comprehensive orientation program for the supplementary batch of interns, in which 21 interns took part. The program included highly interactive workshop utilizing a variety of techniques, small group discussions, video demonstrations, case scenarios, role plays and buzz sessions.

The Part 1 program was held on 01.07. 2016, beginning with a TED talk on "Doctor's touch". The faculty team consisted of Prof M Ravishankar, Dean, MGMCRI, Dr. Nirmal Coumare, Medical Superintendent, Dr. M. S. Raghuraman, Dr K.A. Narayan, Dr Vijayalakshmi Lal, Dr C.P. Ganeshbabu and Dr. Sameer Jahagerdar.

Part 2 of the Interns Orientation Program was held on 21 and 22, July 2016. The faculty team for Part 2 comprised of: Prof. V. N. Mahalakshmi, Vice Principal, Curriculum, Prof. Seetesh Ghose, Dr. Natesan Damodharan, Dr. Pramod Kumar, Dr. Lakshmi Mani, Prof. Tirou Aroul, Dr. Lokesh, Dr. Mohammed Hanifah, Dr. Smile Robinson, Dr. B. Sivaprakash, Dr C.P. Ganeshbabu, Dr Kannan R, Dr Sunayana Choudhury, Dr Padmavathy, Dr Vijayalakshmi Lal and Dr. Abu Backer.

Both the programs were found highly relevant and useful by the interns as revealed by the feedback.
