

## **SRI BALAJI VIDYAPEETH (SBV)**

(Deemed to be University)

U/S3 of UGC Act 1956

Puducherry-607402

### **AWARENESS ON MYTHS AND SUPERSTITIONS**

Myths, taboos and superstitions are prevalent among the tribal population of India. These practices prevent the people from accessing health care also female discrimination and female infanticide is prevalent among the tribes. Many international legal instruments on human rights further reinforce individual rights, and also protect-and prohibit discrimination against-specific groups, in particular women.

REPORT

12.07.2016  
Puducherry

An awareness program was conducted among the people of the **Toda Tribe of Nilgiris** on **8.7.2016** by the **Department of Public Health Dentistry**. It was aimed at creating awareness among the tribal population about the myths and superstitions which are practiced by them on a day to day basis causing significant health hazard to them. Interns actively participated in the program and explained about the importance of abolishing these myths.
