“The Physician’s and Surgeon’s Conference” was conducted for the month of January on 8th January 2020. It was organized by the Dept of General Medicine and General Surgery. A curious case of LUTS was presented by Dr Maruthuraj, First year Postgraduate, Department of General Surgery. Followed by a topic "I like nonsense, it wakes up my brain cells" by Dr. Dhanya, Second year Postgraduate, Department of Internal Medicine and a Case of Pericardial Effusion (Will the message reach the shore?) by Dr. Krishna Kannan, Seond Year Postgraduate from the epartment fo General medicine

“The Physician’s and Surgeon’s Conference” was conducted for the month of February on 12th February 2020. It was organized by the Dept of General Medicine and General Surgery. A Plastic surgery unit case of ‘The weeping axilla was presented by Dr. Balakumaran Postgraduate, Department of General Surgery. Followed by a topic " LOL (Laughing out Loud)-It Clears the Lung” presented by Dr. Nagarjuna Postgraduate, Department of Internal Medicine.

“The Physician’s and Surgeon’s Conference” was conducted for the month of March on 11th March 2020. “A case of Diagnostic enigma” was presented by Dr. Meenakshi, Second year Postgraduate, Department of General Surgery.

SURGEON’S CONFERENCE:

The scientific and academic programme at SSSMCRI namely “The Surgeon’s Conference” was held on 10th July 2019. a case nasopharyngeal carcinoma - anticipated difficult airway managed with retrograde intubation was presented by Dr. Blessy, Postgraduate from the Department of Anaesthesia followed by a a case of Warm Spleen presented by Dr. Leena, Postgraduate from Department of Radiology followed by a case of SOFT TISSUE FOREIGN BODY by Dr. Jaya Shakti Postgraduate from the Dept of General Surgery

The scientific and academic programme at SSSMCRI namely “The Surgeon’s Conference” was held on 2nd August 2019. A case of Worst Click was presented by Dr. Malavika, Final year PG, Department of General Surgery

followed by a a case of RIF Masquerader by Warm Spleen presented by Dr. Hariharan, Final Year PG, Department of General Surgery followed by An overview of our experience with Cadaver Workshops at ASTRA, SSSMCRI by Dr. Jayasakthi, Department of General Surgery

PHYSICIAN’S CONFERENCE:

“The Physician’s Conference” was organized by the Professor and Head of Dept of General Medicine Dr. Nasreen Begam on 3rd July 2019. Dr Sai Preethi 2nd year post graduates from the Dept of DVL presented Herpes Iris of Bateman followed by A Forgotten Vascular Disease with important clinical implications by Dr Dona Das, Postgraduate from the Department of General Medicine and An interesting Case for discussion by Dr Venkatesh Rathinavel, Postgraduate from the Department of Respiratory Medicine.

“The Physician’s Conference” was organized by the Professor and Head of Dept of General Medicine Dr. Nasreen Begam on 7th August 2019. Dr Anupama 2nd year post graduates from the Dept of DVL presented Interesting Keratinization disorder followed by Torment – A Patient in

MICU by Dr. Chengotaiyeen, Postgraduate from the Dept of Internal Medicine and Dhamaka – Explosions are not comfortable by Dr. Nasreen, Professor and Head, Dept of Internal Medicine

SURGEON'S CONFERENCE:

The scientific and academic programme at SSSMCRI namely “The Surgeon’s Conference” was held on 13th November 2019. A Cystic swelling of the maxila was presented by Dr. Jayavarshini Jothivel, Postgraduate, Department of ENT, Followed by A case of Double Implantation: The right and the wrong by Dr. K. Rinda Naidu, Postgraduate, Department of OBG and Surgical challenges in performing phacoemulsification in a case of hypermature cataract by Dr. Maunika, Postgraduate, Department of Ophthalmology

PHYSICIAN'S CONFERENCE:

“The Physician’s Conference” was organized by the Professor and Head of Dept of General Medicine Dr. Nasreen Begam on 6th November 2019. Dr Sai Vinutha 2nd year post graduates from the Dept of Pediatrics presented a case of Kartagenar’s Syndrome followed by “Will the Message reach the shore? By Dr. Krshna Kannan, Postgraduate from the Department of General Medicine and An interesting Case of Compressive Myelopathy by Dr Sahana. from the Department of General Medicine

4. Clinico-Pathological meeting

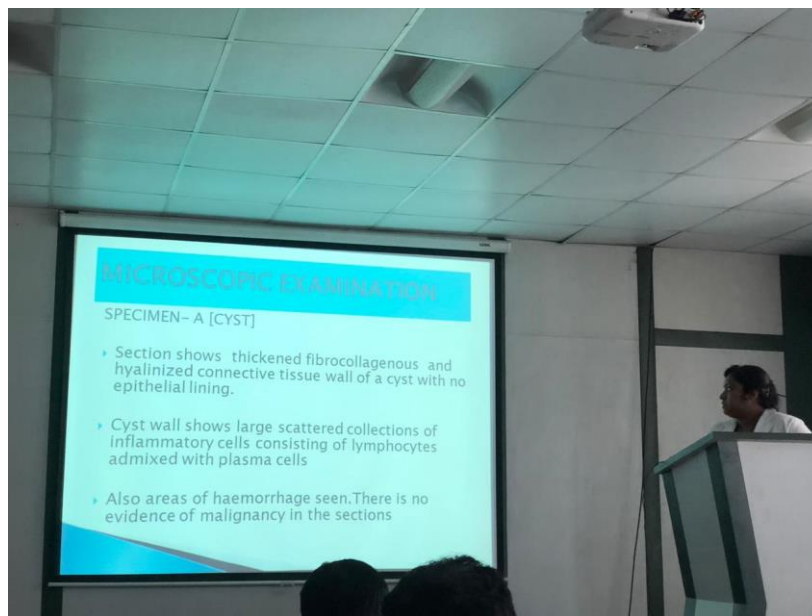

Department of Pathology conducted Clinico Pathological meeting. Case of Endometrial stromal sarcoma , presented by Dr. Jackson Bose , Second year Pathology post graduate and Dr.Vedha , First year OBG postgraduate on 22 .1.2020 at SSSMCRI, Hospital Block

Department of Pathology conducted Clinico Pathological meeting. Case of Pseudo angiomatous stromal hyperplasia , presented by Dr. Saranya , first year Pathology post graduate and Dr. Abhinav , First year General Surgery postgraduate on 19 .2.2020 at SSSMCRI, Hospital Block

Department of Pathology conducted Clinico Pathological meeting. Case of Granular cell tumor skin , presented by Dr. Saranya , first year Pathology post graduate and Dr. Sarthak , First year General Surgery postgraduate on 18 .3.2020 at SSSMCRI, Hospital Block

Clinicopathological meeting was conducted in the Department of Pathology in association with the Department of General Surgery on 07/03/2019 : “Retroperitoneal cyst – abdominal masquerades” , presented by Dr. Hariharan, II year postgraduate, Department of General Surgery and Dr.Haritha, I year postgraduate, Department of Pathology .

Clinicopathological meeting was conducted in the Department of Pathology in association with the Department of ENT on 07/03/2019 : “Interesting case of Lingual mass : Granular cell

tumor” , presented by Dr. Deepthi Das, II year postgraduate, Department of ENT and Dr. Jackson Bose, I year postgraduate, Department of Pathology.

Clinicopathological meeting was conducted in the Department of Pathology in association with the Department of Dermatology on 21/03/2019 : “Pemphigus vulgaris” , presented by Dr. Sai Preethi, II year postgraduate, Department Dermatology and Dr. Jackson Bose, I year postgraduate, Department of Pathology.

Department of Pathology conducted Clinicopathological meeting – case of Adenocarcinoma Stomach with General Surgery Department on 17.7.2019, presented by Dr . Haritha, II year Pathology Postgraduate and, Dr. Balakumaran , I year General Surgery Postgraduate .

Department of Pathology conducted Clinico Pathological meet. Case of Subcutaneous cysticercosis presented by Dr.Jackson Bose , second year post graduate on 16.9.19 at SSSMCRI

Department of Pathology conducted Clinicopathological meeting - a rare interesting case of Angiomyolipoma with General Surgery and Urology department on 17th April 2019 at Hospital block. The case was presented by Dr. Jackson Bose, I year Pathology Postgraduate and Dr . Robin , I year General Surgery Postgraduate .

Department of Pathology conducted Clinico Pathological Meet on Tuberculoid leprosy on 16th May 2019 at Hospital block. The case was presented by Dr. Haritha, I year Pathology Postgraduate and Dr. Anupama, I year Dermatology Postgraduate.

Department of Pathology conducted Clinico Pathological meeting. Case of Breast carcinoma presented by Dr. Haritha , Second year Pathology post graduate and Dr. Jayasakthi , Final year General Surgery postgraduate on 16 .10.19 at SSSMCRI, Hospital Block

Department of Pathology conducted Clinico Pathological meeting. Case of Prostatic adenocarcinoma presented by Dr. Saranya , first year Pathology post graduate and Dr. Jayasakthi , Final year General Surgery postgraduate on 20 .11.19 at SSSMCRI, Hospital Block

5) **Student Development Programme**

Teaching Learning session for Post Graduate students of General Surgery on Trauma Thorax was conducted using an animal cadaver to demonstrate the patho-physiology of the injuries to the chest cage and to facilitate hands-on opportunities in emergency operative techniques for the students.

6) **Poster Competition**

A poster competition for postgraduates and CRRIs on the theme Management of Tuberculosis was held between 1.00pm and 2.30pm on 29/03/2019. 23 posters were submitted, out of which 18 were by PGs. The competition was judged by Dr. Saurabh Shrivastava, Vice Principal, Curriculum , Dr Abhilash, Vice Principal, Student Affairs , Dr. Nasreen from Medicine Department and Dr. Jaishree V from Paediatrics. The first three prizes were won by Dr Indhraj Kandula (Paediatrics), Dr Jackson Bose (Pathology) and Dr Kalaivani (OBG).

7) Introduction of Standardized Patient (SP) in undergraduate medical curriculum:

The interview for the Standardized Patients was conducted on 2nd March 2019 at RHTC, Sembakkam by Dr. Muthukumar and Dr. Shree Ramanan, Assistant Professors from Department of Community Medicine. A total of 19 people were interviewed out of which 7 were found to be suitable as standardized patients. These SP are utilized by different clinical departments for training III Semester MBBS students for eliciting history.

8) Student's Seminar

- Department of Pathology organized an Integrated UG seminar for IV semester students— “Acute Leukemia and Chronic Leukemia” with General Medicine and Paediatrics department. Clinical perspective was covered by Dr.Senthil, Associate Prof., Department of General Medicine and Dr. Mohan, Associate Prof., Department of Pediatrics. Seminar on Acute Myeloid Leukemia, Acute Lymphoid Leukemia, Chronic Myeloid Leukemia and Chronic Lymphoid Leukemia was delivered by Mr. Rahul, Mr. Mehta Love Bhadreshkumar, Ms. Keerthana and Ms. Patel Twinklekumari Dilipbhai, at Lecture hall, SSSMCRI on 05/04/2019.
- Student seminar on “Zoonotic bacterial disease” for IV semester students was organized by Dr. G Sridhar, Professor; Dr. S Prasanna & Dr. S Karthika priya, Assistant Professors, Department of Microbiology at SSSMCRI on 29/04/2019 & 30/04/2019.

- Integrated Teaching Programme for the IV semester students on the topic “Fundamentals of Neurophysiology and Applied Pharmacology” took place on 17/04/2019 under the Supervision of Dr. N. Venkatadri, Prof and HOD Dept of Pharmacology

- Department of Biochemistry organized Bio-seminar for I MBBS students at SSSMCRI on 29th May 2019. I MBBS Student receiving certificate from Biochemistry HOD

I MBBS Student receiving certificate from Biochemistry HOD

- SKILL LAB:

Dr. Helen shaji. Principal, Mrs. Emy Jancy Rani. J. Nursing Tutor, SSSCON organized Hands – on – skills in providing BLS in an emergency situation as a part of Continuing Nursing Education, SSSMCRI on 11.12.2019.

BLS PROGRAMME:

Dr.Balasubramanian Anusha, Assistant Professor, Dept of Anesthesiology, along with other AHA instructors from SBV conducted BLS course in MEU hall, SSSMCRI for 108 CRRI Students from November 12th – 26th 2019 in divided groups.

Dr.Jayanthi, Professor, Mrs.A.L.Mahalakshmi, Professor, Mr.Dinesh.Nursing Tutor, SSSCON Faculties underwent, BLS and ACLS Provider Programme, Certified by American Heart Association at SSSMCRI between 18.12.2019 and 20.12.2019.
