MGMCRI – A GLIMPSE

Mahatma Gandhi Medical College and Research Institute, Puducherry is an 1250 bedded leading multi-specialty hospital in the country under Sri Balaji Vidyapeeth (NAAC A grade) which provides high quality patient care at an affordable cost since its inception in 2003. MGMCRI is accredited by NABH entry level, ISO & Ayushman Bharat Yojana (Silver quality standards).

Our MGMCRI hospital nurses takes pride to have this coveted NABH Nursing Excellence Certification which speaks about the high standard and quality of nursing care.

The department is endeavored to deliver high standard of nursing care with prime focus on patient safety and promotion of health with the motto of embracing lives.

The department provides continuous learning opportunities for nurses to update the professional knowledge and explore new strategies to keep abreast.

AIM

To minimize adverse events and eliminate patient harm in health care.

OBJECTIVES

- To set standards and goals to maximize the patient safety.
- To identify and develop strategies for patient safety improvement.
- To build a multidisciplinary team approach in improving quality and safety measures.
- To set well settled global priorities to improve patient safety.
- To create appropriate documentation in improving patient safety.

TARGET AUDIENCE

Staff Nurses, Nurse Educators, Administrators and All Nursing Fraternity
