CHANCELLOR'S MESSAGE

Dear Students,

You are our national treasure, and our country's future is in your safe hands. Our nation looks forward to utilizing your talents in service to the society. We firmly believe that the moulding of the student into a well-rounded professional largely depends on the broad vision of an educational institute.

Sri Balaji Vidyapeeth is an embodiment of a broader vision and planned development of a sound education system... where the environment is conducive and pleasant to study, live and work, where education and research hand in hand flourish... where the hidden and inherent skills and talents of the students are nurtured and developed for the benefits of the society, for generations to come.

Come, join our world. Let us create a better, viable, integrated global community of shared benefits, responsibilities and values for the benefit of all things living. Our origins and lives may be different, but we do share the same Mother Earth. And remember... you are the nation's greatest gift and we are duty bound to do our best to our Nation.

Shri. M. K. Rajagopalan

Founder and Hon'ble Chancellor, SBV

VICE-CHANCELLOR'S MESSAGE

Welcome to SBV & your future...

The millennium has ushered in challenges which will have a profound impact on the role of private universities. Professional competence will be highly sought after in India and around the globe. The challenge – shared by all Universities – is to bestow the requisite knowledge and skills, and cultivate proper etiquette and attitude to produce top-notch professionals who will be valued both for their professional competence and their inherent ability to solve problems.

Sri Balaji Vidyapeeth, deemed to be University and accredited by NAAC with 'A++' Grade is dedicated to its mission in order to nurture healthcare professionals in Medicine, Dentistry, Nursing and Pharmacy, who would contribute and strive ceaselessly towards caring for the comfort of the sick. The constituent colleges of SBV are already noted for the excellence in various avenues including teaching, research and service to the community, especially those who are marginalised and undeserved. SBV is endowed with committed, dedicated and outstanding faculty – a healthy mix of the young & veterans and excellent infrastructure. Our challenge for the future is to capitalize on this good start and establish ourselves firmly among the comity of leading Universities.

The reputation of any institution is essentially based on the quality of its output; the administration and the academic staff do realize this and I promise that you all will put in your best to train and educate you well. You, the research scholars who have gained entry into the portals of SBV this year realize your ambition and must perform well with dedication and diligence and emerge as competent research professionals and make your parents and educators proud. We wish you all very best and hope that you would soon emerge as a research par excellence.

WITH LOTS OF GOOD WISHES,

Prof. Subhash Chandra Parija MBBS, MD, PhD, DSc, FRCPath, FAMS, FICPath, FABMS, FISCD, FIAVP, FIATP, FIMS

Hon'ble Vice Chancellor, Sri Balaji Vidyapeeth.

GLIMPSE OF SRI BALAJI VIDYAPEETH (SBV)

Young, Modern & Marching Ahead

- Sri Balaji Vidyapeeth (SBV) is a young deemed University, proud of its modernity, yet firmly grounded in rich educational heritage.
- SBV aims to excel in academic and clinical medicine; research and training; nurturing passion and enthusiasm into achievement and converting theoretical knowledge into evidence-based practice and research.
- SBV was granted 'Deemed University' status by the University Grants Commission (UGC) under section 3 of the UGC Act of 1956 in 2008, in recognition of its outstanding quality of providing education, potential for excellence and obtained NAAC "A ++" Grade in 2021, with CGPA of 3.58 on 4-point scale.
- SBV has been placed in the top 100 Universities for six consecutive years since 2016 at the National Institutional Ranking Framework (NIRF) and MGMCRI figures among the top medical colleges in India. In 2022, SBV has been ranked 70 among the Universities and MGMCRI was ranked 47 among the medical colleges in India by NIRF.
- SBV thus enjoys complete autonomy to develop and implement innovative curriculum and academic programs and to design its own education process that is responsive and tailored to the evolving needs and changes of health sciences.
- The Deemed University's constituent teaching units and their programmes are all duly accredited and recognised by the respective statutory bodies such as the National Medical Commission, Dental Council of India, Indian Nursing Council and Pharmacy Council of India. Graduates of SBV are eligible to register with any state council or pursue further education in any part of India.
- SBV ensures that its programs and courses are recognised internationally, by registering under appropriate provisions of various statutory and registration authorities around the world to enable its graduates the right to qualify for practice in any nation, including appearing for USMLE, (USA) PLAB, MRCP/FRCS/etc (UK), MCCQE (Canada), AMC (Australia), CGFNS/NCLEX (Nursing, USA) etc.

- SBV is a research-oriented deemed to be university and the establishment of state-of-the-art MGM Advanced Research Institute pledges considerable resources and investment for Biomedical Research.
- SBV's research output has been consistently high in quality and impact, as evident from its rapidly growing research publication record that inspires our students, a fact attested by the region-wise lead position in number of ICMR sponsored STS research projects (Short Term Studentship) undertaken and ably accomplished by our undergraduate medical and dental students.
- SBV caters to the needs of the patients in the form of Complementary medicine. The availability of School Yoga Therapy, School of Music Therapy under the ambit of Institute of Salutogenesis and Complementary Medicine (ISCM), Transgender and clinic Health Professions Education is an innovative move to step forward from Illness to Wellness and treating the patients through complementary medicine. MoU signed by SBV for a collaborative doctoral program in music therapy with the IMC University of Applied Sciences, Krems, Austria and with Kaivalyadhama Yoga Institute for Yoga research are noteworthy milestones and bear ample testimony.
- The Institute of Health Professions Education (IHPE) brings together all health professionals to achieve academic excellence through training and research in pedagogical sciences, which saw SBV signing a long-term partnership with Partners Medical International, USA.
- Every year is a year of challenges, accomplishments as we attain our targets, setting newer goals and constantly striving to renew our commitment for better medical training, scientific research and clinical practice.
- SBV is governed by an enlightened collegium of eminent scholars, clinicians and scientists, headed ably by our visionary Chairman and Chancellor, Shri. M. K. Rajagopalan; Vice Chancellor Prof S C Parija, SBV; Dr. Ananthakrishnan N, Dean of Faculty, Dr S R Rao, VP (Research, Innovations & Development), SBV; & Prof M Ravishankar, Director, C DREaMs, providing leadership and stewardship towards excellence.
- SBV has been placed in the Fifteenth position in the India Today ranking 2022 for the best medical universities. SBV has secured the 8th position among the private medical university.

- R World Institutional Rankings has ranked SBV in the Diamond Band with A+ Grade in pursuit of excellence towards offering Outcome Based Education (OBE Rankings 2022).

ABOUT INDIRA GANDHI INSTITUTE OF DENTAL SCIENCES (IGIDS)

Indira Gandhi Institute of Dental Sciences (IGIDS) located in the SBV Main campus Pondicherry has created a niche for itself by combining the essential principles of conventional dental education with contemporary learning avenues for the budding dental professionals of tomorrow. The faculty members provide a creditable account of themselves by enhancing multi-faceted avenues for the discerning learners. Particular mention must be made of the innovative curricula for both UG and PG students, early clinical exposure to the UG students of dentistry, holistic and integrated learning, competency based training, all fortified with state – of – the- art, ICT enabled teaching learning environment.

IGIDS boasts of 300 + dental chairs and modern gadgets for clinical care and research, 14 well designed laboratories, well equipped library and an E- consortium. Effective mentorship programme and a robust support for students needing additional curricular and psychological support speak well of the commitment and dedication of the fraternity of IGIDS, all aimed at fostering the talents of the students, besides optimization of both scholastic and non-scholastic endeavours.

IGIDS does care to share its concern in sustaining its commitments towards societal responsibility. Functionally active MoUs and exchange programmes featuring students and faculty promote variegated activities synonymous with the global and ever changing trends in dental education, dental care and evidence based research in dental sciences.

5. Fellowship In Rotary Endodontics
6. Fellowship In Special Needs Dental Health Programs
7. Fellowship In Aligners
8. Fellowship In Gingival And Perio Plastic Surgical Techniques
9. Fellowship in Implantology

ONE YEAR FULL TIME

NON-DCI and NOT REQUIRING NEET

CREDIT BASED PROGRAMMES

1. FELLOWSHIP IN ORAL RADIOLOGY
PROGRAMME CODE: 10723

OFFERED BY
THE DEPARTMENT OF ORAL MEDICINE AND RADIOLOGY.
IGIDS – SBV.

NUMBER OF SEATS
Two seats.

ELIGIBILITY CRITERIA
Graduates possessing BDS Qualification

INTENDED LEARNING OUTCOMES.

- ✓ To be able to rationalize the need of a Radiograph.
- ✓ To be able to make an ideal radiograph on conventional / digital platforms.
- ✓ To follow all the radiation safety and protection protocols as per AERB.
- ✓ To be able to interpret the basic pathologies on dental radiographs.
- ✓ To report basic pathologies on dental radiographs.

CREDIT BASED PROGRAMME STRUCTURE

One-year programme
Credit hours calculated for direct contact sessions, clinical/ practical sessions and self-study/
assignments/projects.

PROGRAMME REQUIREMENTS

Minimum 80% attendance Minimum 50% marks in internal assessment and summative exam
Workplace-based formative assessment.

FACILITIES AVAILABLE.

- ✓ IOPA X-RAY equipment.
- ✓ OPG machine.
- ✓ Dental Chair.
- ✓ Film Positioning Devices.
- ✓ RVG Equipment with Software.
- ✓ Personal Protective Equipment.
- ✓ Dark Room Facilities'

COURSE FEES

Rupees 25000
