### Sri Balaji Vidyapeeth

Sri Balaji Vidyapeeth (SBV) is a young Deemed-to-be- University proud of its modernity and yet firmly entrenched in rich educational heritage and ethos. This Deemed University was established in the year 2008 and ever since has been ceaselessly striving to excel in Academics, Research, Patient care and Extension services-all done with a view to serving the society. Infusing passion and enthusiasm into the minds of the avid students and nurturing their achievements in order to optimize potentials is our tenet.

### Admission Notification

HPE Programs at Sri Balaji Vidyapeeth

### Institute of Health Professions Education

The Institute run pedagogic programs in the heutagogy or self-determined mode based on the unique Arena(Active) Blended Connected Model (ABC Curriculum). The curriculum is aligned with UGC CBCS model and academic flexibility as per NEP. The two-year program has an option of lateral exit after first year leading to Postgraduate Diploma and lateral entry with curricular equivalence to second year for the award of Masters in Health Professions Education. The institute is the first of its kind in India with highly reputed faculty members.

### Masters in Health Professions Education

- Lateral Entry option directly to the second year for candidates with PG Diploma from the concerned subject from a recognized institution. 20 percent of the sanctioned seats and the unfilled seats of the First year will be utilized for the Lateral entry admissions in the Second year for the MHPE programme.
- Early Exit option with PG Diploma in Health Professions Education after successful completion of First year of the MHPE programme.
- Synchronous sessions on Zoom platform on Tuesday and Thursday's of every week from 01.30 pm and asynchronous discussion and assignments through online LMS portal. The candidates have to clear the proctored online examination at the end of first year and defense viva of project dissertation at the end of second year for completion.

### Course Eligibility

- A recognized postgraduate degree in Health Sciences that includes Medicine, Dentistry, Nursing, Pharmacy, Physiotherapy, AYUSH (Ayurveda, Unani, Siddha, Homeopathy), and any other Allied Health Sciences.
- The Selection will be based on the merit at the qualifying Examinations and the interview. Both national and international candidates are eligible to apply.

### Course fee
