SRI BALAJI VIDYAPEETH,

Deemed to be University, Pondicherry, India: *Redefining Health Sciences Education*

The mission of Sri Balaji Vidyapeeth is to contribute to humanity through diligent promulgation of evidence based medicine, competency based education and integrative research. Sri Balaji Vidyapeeth is a unitary deemed to be University with the following constituent colleges and centers:

- 1) Mahatma Gandhi Medical College & Research Institute, Pondicherry, (Main Campus)
- 2) Shri Sathya Sai Medical College & Research Institute, Chennai, (Off Campus).
- 3) Indira Gandhi Institute of Dental Sciences, Pondicherry, (Main Campus)
- 4) Kasturba Gandhi Nursing College, Pondicherry, (Main Campus)
- 5) Shri Sathya Sai College of Nursing (Off Campus)
- 6) School of Allied Health Sciences (Main Campus & Off Campus)
- 7) School of Pharmacy (Main Campus)
- 8) School of Biological Sciences (Main Campus)
- 9) Institute of Salutogenesis and Complementary Medicine, Comprising School of Yoga Therapy and School of Music Therapy (Main Campus)
- 10) Institute of Health Professions Education (Main Campus)

Established in the year 2008, Sri Balaji Vidyapeeth has grown to become one of India's top 100 universities, accredited by NAAC with A++ Grade. The deemed University strives constantly to uphold ethics, social justice and equity. The deemed University and its constituent teaching units and Institutes have been consistently held in high esteem by various agencies on competitiveness, quality and leadership.

LEADERSHIP:

The Chancellor Shri. MK Rajagopalan, a visionary educationist founded the Deemed to be University with an aim to provide world class education in health professions education through evidence based patient centric healthcare and to contribute to science through research. The Deemed to be University strives to achieve this vision, through the efforts of Dr. Prashanth Rajagopalan, the Vice Chairman.

Vice Chancellor Prof. Nihar Ranjan Biswas, is an acclaimed academician, researcher and author who has contributed significantly to the growth of medical education and sciences in various positions. He has been largely instrumental in translating the vision of the Chancellor into reality.

The Chancellor and Vice-Chancellor are ably guided by Board of Management with eminent academicians and prominent scientists in its ranks.
