## Detailed report of the program

The Scientific and Academic Forum, IGIDS, conducted a Student Enrichment Program as part of Analytical Skill development Program on Wednesday, 14th Dec 2022, between 14:00 and 15:45 hrs. The resource person was **Dr Suprabha**, Professor and Head Department of Pediatric and Preventive Dentistry Manipal College of Dental Sciences, Mangalore. The target audience were the Faculty and Post graduate scholars of IGIDS.

The program started with playing of the IGIDS anthem following which Prof Dr Pavithranand, Member Secretary, SAF IGIDS, welcomed and addressed the gathering and introduced the speaker to them. The speaker delivered the lecture "**The Review Process of The Manuscripts**". The participants were provided with the guided through a step-by-step approach on how to the manuscript evaluation is done, right from the chief editor to the subject expert. The speaker also explained in detail on the guidelines that should be followed on reviewing and also the manner in which the appraisal of the manuscript should be done. She stressed on the fact that the response should be made in the most polite and professional manner since most of the articles would be from new authors who would not have much experience in writing articles. The speaker stressed the fact that the response given on reviewing the manuscript should be constructive thereby helping the author to make the necessary changes to it and make the manuscript worthy of publication.

The participants interacted with the speaker clarifying their views and thoughts about the lecture. Following the completion of the lecture the speaker was felicitated online with a certificate of appreciation. The program concluded with a high tea.
