AHS Communication building feedback Report 2021-22 Batch

Among 131 AHS students in 2021-2022 batch, 120 students (91.6%) were responded for English -communication building feedback form. Among these 55 students (42%) commented as **GOOD** and 56 students (42.7%) mentioned as **EXCELLENT** for the overall content of the course feedback. Ranges from 15.0% to 20.0% of the students commented that they are satisfied with clarity and quality on teaching, course content, teaching methods, enthusiastic for communication skills and implementation of the language style among the students.

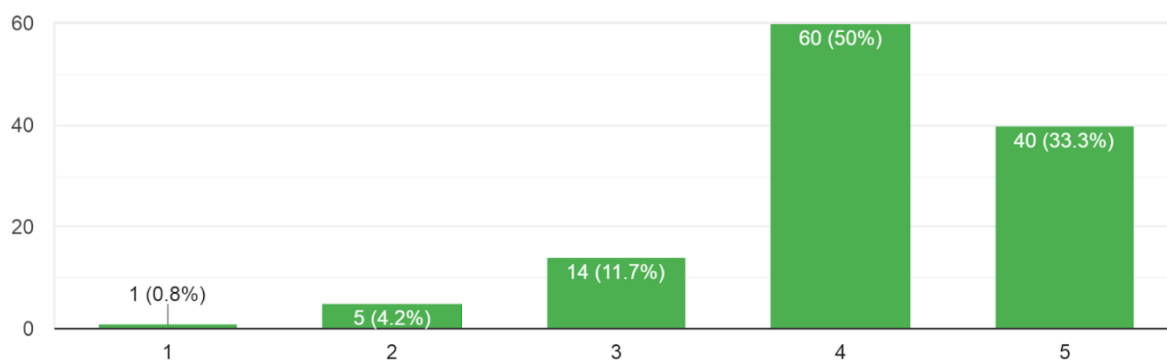

Clarity of the course content

120 responses

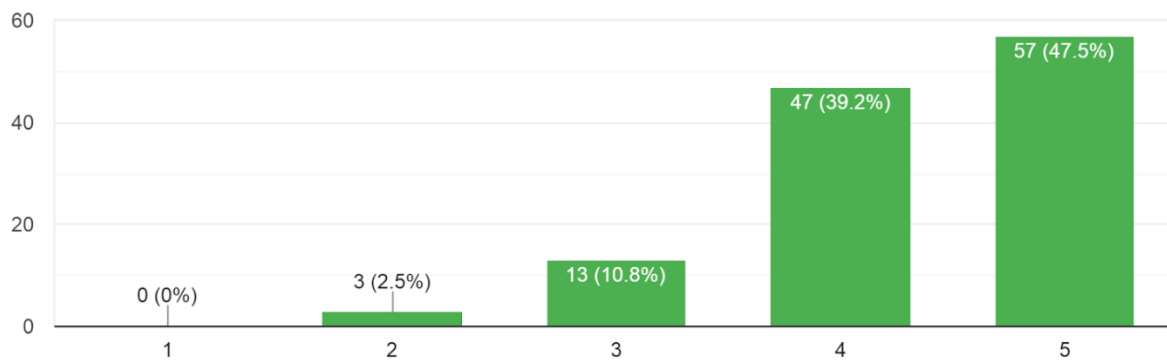

Are you comfortable with teaching methods of the instructor

120 responses

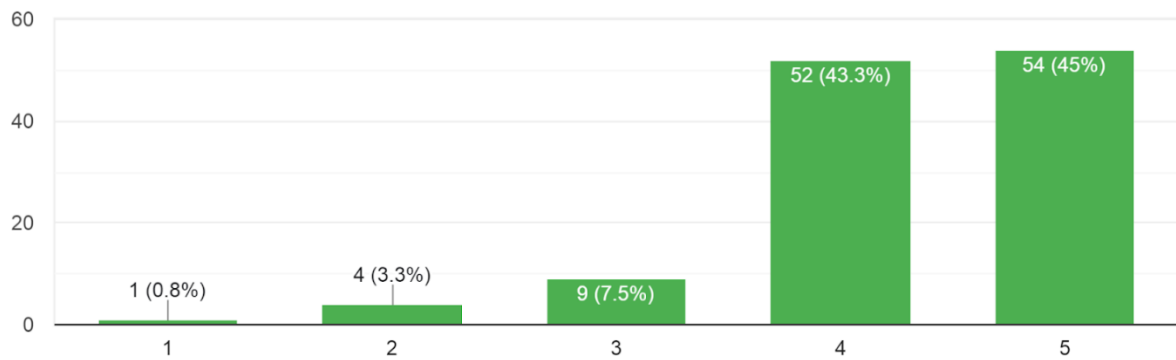

Are the students encouraged by the instructor with positive response

120 responses

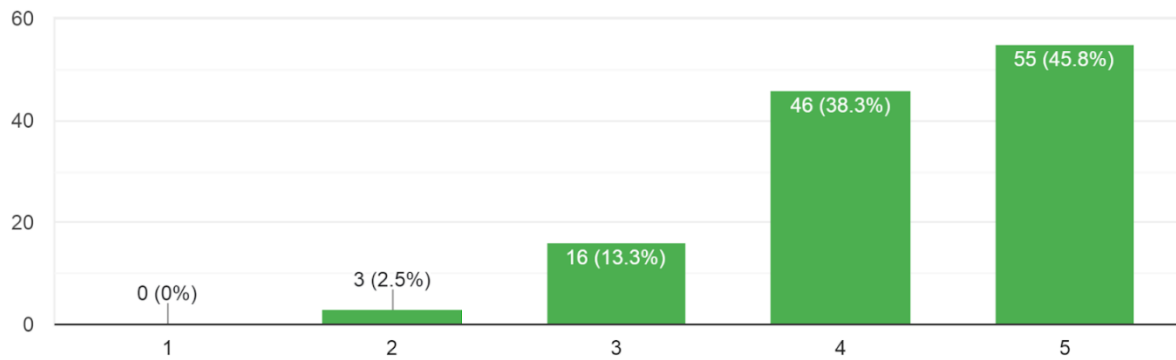

Quality of teaching by the instructor

120 responses

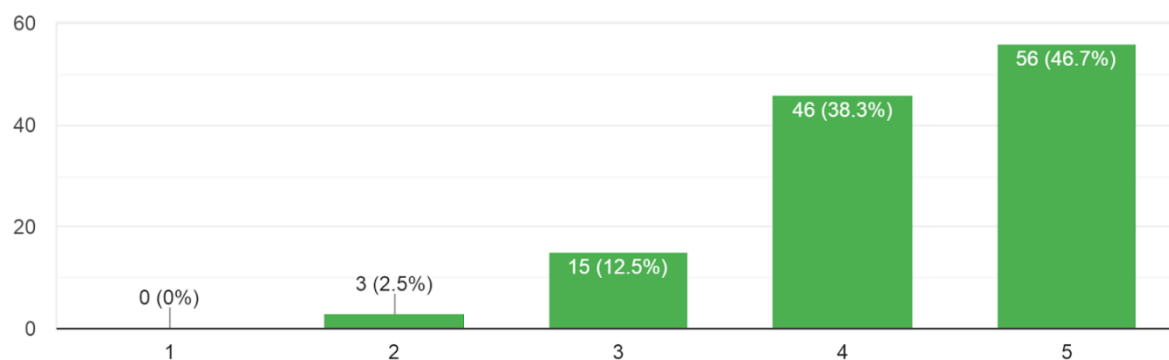

Does the instructor creates an enthusiasm on the subject

120 responses

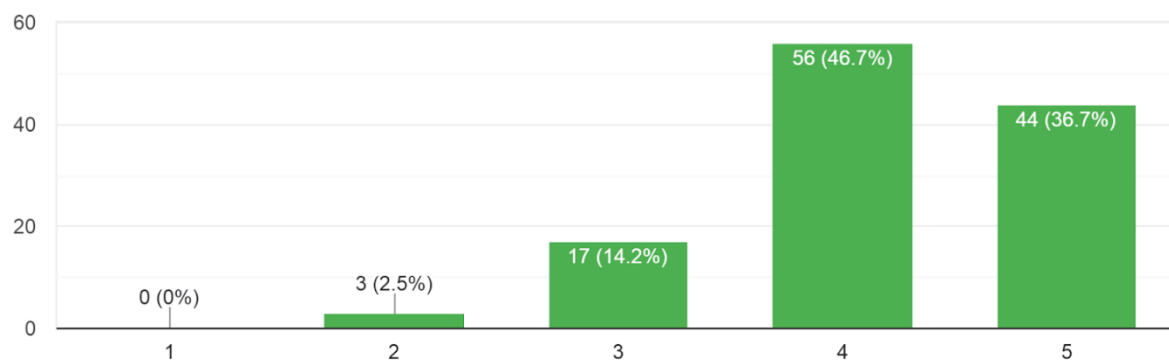

Do you really enjoy the Communication Building program

120 responses

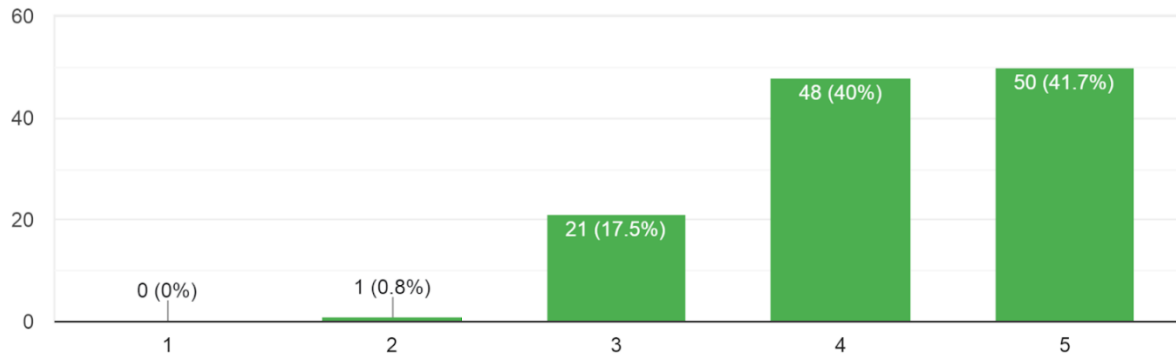

Is there any development on your communication skills after attending the program

120 responses

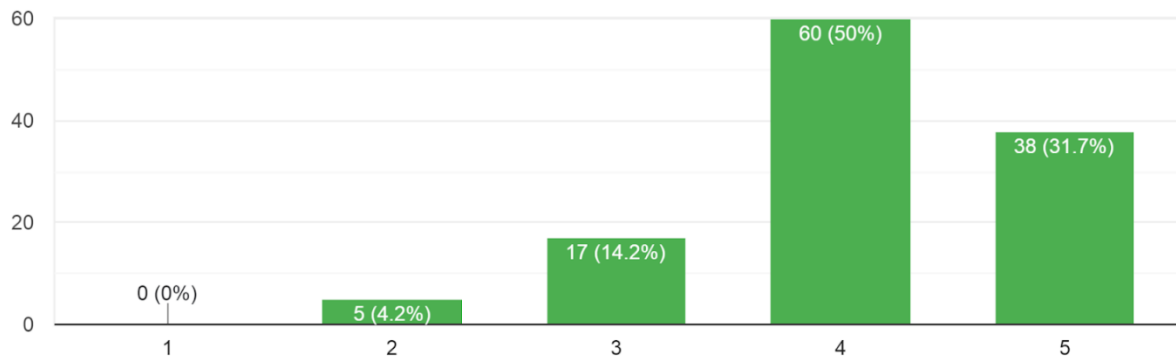

Are you satisfied with course material of this program

120 responses

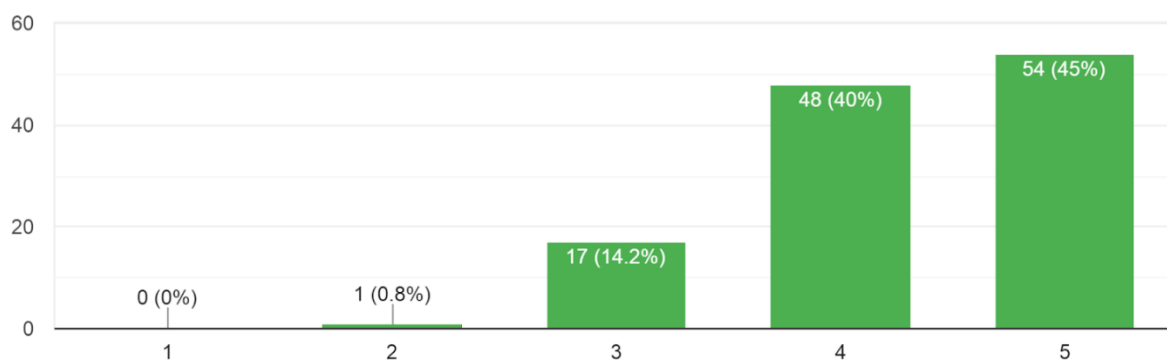

Have you implemented this program in your routine style?
