Detailed report of the program

AHS Conclave 2023 -Academic deliberation for AHS professionals, a career guidance program & Alumni Association was successfully held on 8th February 2023 at 11:00 am in B.C. Roy Hall, ground floor, MGMCRI, organized by the School of Allied Health Sciences, MGMCRI, SBV. The program brought together a total of 255 participants which includes 108 college students from various institutions, 87 interns of Allied health Sciences, MGMCRI, SBV, and 19 members of the college alumni, bringing a unique perspective based on their graduation experiences. Moreover, there were 41 academic members in total, including 22 faculties from SAHS, MGMCRI and 19 faculties comprising of tutors, assistant professors and associate professors from various colleges. The Dean of Health Sciences, Dr. Alice Kisku and Principal of Physiotherapy Mr. I. Srikanth of PIMS participated in conclave 2023.

The colleges that took part are listed below:

- School of AHS, AVMC&H campus (Aarupadai Veedu Medical College & Hospital)
- Divine Mother College, Pondicherry
- Sri Manakula Vinayagar Medical College & Hospital, Pondicherry
- Mother Theresa Post Graduate & Research Institute of Health Sciences
- Pondicherry University Community College, Lawspet, Puducherry
- Sri Venkateshwaraa Medical College Hospital & Research Centre, Pondicherry
- Pondicherry Institute of Medical Sciences
- East Coast Hospitals, Pondicherry
- ICMR-vector control research Centre (VCRC), Pondicherry
- Sri Lakshmi Narayana Institute of Medical Science Medical College and Hospital, Pondicherry

The SBV anthem marked the beginning of the conclave, with Ms Soundharya leading the program as the compere. The welcome address was presented by our esteemed Principal, Dr.A.N.Uma. Following the welcome address, the dignitaries present on and off the dais proceeded to light the kuthuvilakku. The speakers for the day

SBV Campus, Pillaiyarkuppam, Puducherry – 607 402

were felicitated by our Principal Dr.A.N.Uma with a bouquet.

Mr Ashish Jain, CEO of HSSC, delivered his talk on the topic, “Sensitisation to HSSC”. He emphasized the need for sensitizing individuals to the healthcare sector skill councils and its role in the organization. He guided the AHS students to network, gain knowledge and skills, and to stay updated with the latest trends and development in their development.

Following that, we had an elaborate talk on “Upskilling & Global Opportunities for AHS professionals and Students” by Dr Sharmila Anand. She is a bestselling author, international consultant, speaker and Founder of Inspera Skills.

She discussed the global access opportunities for upskilling and encouraged students and professionals to continuously develop their skills to get more career options, higher earning potential, and a bigger impact on the global healthcare industry.

Following the speech, there was an engaging panel discussion and question and answer session, where every individual participant had the opportunity to seek clarification from the speakers. The participant from other colleges also actively participated and their doubts were effectively addressed by the speakers.

After the panel discussion, an overview of the conclave was done by the speaker, Dr. Sharmila Anand.

At last, the vote of thanks was delivered by Mrs. P. Lavanya, Assistant Professor in Microbiology, SAHS.

Summary of the report

(in minimum 150 words, in a prose format for web information, social media and press)

School of Allied Health Sciences, MGMCRI, SBV organized "AHS Conclave 2023-Academic deliberation for AHS Professionals" a career guidance program that was held on 8th February 2023 at 11:00 am in B.C. Roy Hall, ground floor, MGMCRI. The Session was fully enriched with external eminent speakers and engaged 227 participants, including interns, alumni, college students, and faculties from different colleges. The speakers emphasize opportunities for upskilling that are available globally and urged professionals and students to keep improving their abilities in order to expand their career options, increase their earning potential, and have a greater effect on the global healthcare sector. The panel discussion and Q&A session acted as a communication bridge to ask their doubts and thoughts. The overview of conclave outline the speakers keynote and the agenda for the event.

Detailed report of the program

The CUPS is designed as a two day event which majorly is a symposium with experts from various fields sharing their life journey and giving a sample of what the healthcare industry needs in the future but at the same time has some hands on sessions for the interns to be involved in creation of their own CV, LinkedIn profile, personality test and maintaining an e-portfolio.

Summary of the report

(in minimum 150 words, in a prose format for web information, social media and press)

The conceived concept turned into a reality by organization and conduction of the CUPS programme with support from the Alumini Association of SSSMCRI and ADRPlexus which sponsored the programme and covered the expenses involved in it. The initiation and organization of the event was done by Dr.Sahaya Sona Thresa President of the Alumini Association SSSMCRI

The CUPS was conducted for a batch of 150 Interns of SSSMCRI from 30/03/2023 to 31/03/2023 (Two morning sessions)

The Interns were given a registration form to assess their expectations and following the closure of the programme Dr. Fredrick Stephen

SHRI SATHYA SAI MEDICAL COLLEGE AND RESEARCH INSTITUTE

Ammappettai, Nellikuppam Post, Chengalpattu District – 603108.

1. Buoyed by the success of CUPS we plan to have an innovative concept of organizing a Job fair merged with a campus interview model for creating possibilities of Job employment for the interns in the future as it was proven to be a felt need of the Participants.

2. CUPS as a programme should be incorporated into the academic activities as a regular event for the interns , it has the potential to grow big and the very fact that linkedin profile creation was used for Interns itself is a novel concept tried and test successfully through the programme

3. The idea is based on the exciting concept of a job fair which is aimed for fresh doctors a first of its kind for SSSMCRI

Overall 50% of the participants felt that the CUPS was very much relevant , 46% found it to be informative and useful. And 79% of prticipants agreed to recommend CUPS to their juniors

Detailed report of the program

The Scientific and Academic Forum, IGIDS, conducted a Student Enrichment Program on Practice Management skills on Wednesday, 17th May 2023, between 14:15 and 15:30 hrs. The resource person was **Dr T L VISHNUPRASHAD BDS**, Chief dental surgeon, Vikare Dental Clinic, Pondicherry. The target audiences were the CRRIs and post-graduates of IGIDS. The program started with playing of the IGIDS anthem following which Ms. Karishma, Intern, IGIDS, SBV welcomed and addressed the gathering following which Dr. Aruna Sharma, Principal, IGIDS, SBV introduced the speaker. The speaker delivered a lecture on “Practice Management- What Next?”. The speaker opened the lecture with a short introduction about himself following which an introduction about the various opportunities present after completion of BDS was told.

The speaker then elaborated about the present scenario of the dentist in the society and compared it with the past detailing about the development and the progress that has happened. Then the various dilemmas an upcoming dentist would encounter was discussed followed by the speaker interacting with the students by asking the doubts and queries they might have as an outgoing fresh graduate. The speaker, then gave some suggestions on how to properly plan and prepare for their future during their study. The importance of future thinking, setting a goal, discussing it with their peers, seniors and staffs was emphasized. The proper ways on how to set up a clinic starting with choosing the location, work methods, work timing and keeping oneself with proper equipment and facilities was suggested. The importance of practicing with proper work ethics and clinical skills were also imparted.

The students were then briefed on different ways of managing a clinic with proper marketing, having a good team and updating oneself with knowledge about latest technology. The speaker also shared about his experience about starting his clinic, problems faced during the process and ways it was managed. The students were also told about importance of having a proper balance in professional and personal upfront and importance of maintaining good health. The participants then interacted with the speaker clarifying their views and thoughts about the lecture. Following the completion of the lecture the speaker was felicitated with a certificate of appreciation by Dr. Pavithranand, Professor and Head, Department of Orthodontics and Dentofacial Orthopedics, IGIDS, SBV.

Summary of the report

The Scientific and Academic Forum, IGIDS, conducted a Student Enrichment Program on Practice Management skills on Wednesday, 17th May 2023, between 14:15 and 15:30 hrs. The resource person was **Dr T L VISHNUPRASHAD BDS**, Chief dental surgeon, Vikare Dental Clinic, Pondicherry. The target audiences were the CRRIs and post graduates of IGIDS. The program started with playing of the IGIDS anthem following which Ms. Karishma, Intern, IGIDS, SBV welcomed and addressed the gathering following which Dr. Aruna Sharma MDS, Principal, IGIDS, SBV introduced the speaker. Detailed report of the program

The Scientific and Academic Forum, IGIDS, conducted a Career Development Program on Saturday, 29th Oct 2022, between 14:15 and 15:30 hrs. The resource person was **Dr Vijaya Raja**, Reader, Department of Conservative Dentistry & Endodontics, IGIDS, SBV. The target audience were the CRRIs and Post graduate scholars of IGIDS who were to start their private practice.

The program started with playing of the IGIDS anthem following which Prof Dr Satyanarayanan, Vice Principal, IGIDS, welcomed and addressed the gathering and introduced the speaker to them, he then shared his experiences when he had started his practice and the hurdles he had crossed. The speaker delivered the lecture "**Setting up a Dental Clinic for Practice**". The students were provided with the roadmap on how to start a new practice or taking up an existing practice. The participants were briefed on the financial aspects, the necessary approvals that needs to be obtained for starting and / or running a practice. The speaker also gave an idea as to how to choose an ideal location for the practice. Marketing strategies both physical and through social media were also touched upon.

The participants interacted with the speaker clarifying their views and thoughts about the lecture. Following the completion of the lecture the speaker was felicitated online with a certificate of appreciation. The program concluded with a high tea.

Summary of the report

(in minimum 150 words, in a prose format for web information, social media and press)

The Scientific and Academic Forum, IGIDS, conducted a Career Development Program on Thursday, **29th Oct 2022**, between 14:15 and 15:30 hrs. The resource person was **Dr Vijaya Raja**, Reader, Department of Conservative Dentistry & Endodontics, IGIDS, SBV. The target audience were the CRRIs and Post graduate scholars of IGIDS who were to start their private practice. Prof Dr Satyanarayanan, Vice Principal IGIDS, welcomed the gathering and introduced the speaker, who then delivered the lecture "**Setting up a Dental Clinic for Practice**". The speaker gave the road map for starting up a practice for the participants either by starting fresh or taking over an existing practice. The talk included the choosing of the right location, the Infra-structure that will be needed and also on the financial management and marketing strategy required for a successful practice. The talk was well received and interactive with the participants.

Feedback analysis/ interpretation and future action plan for further improvement in Quality
