### Detailed report of the program

An international English language test called the OET, or Occupational English Test, assesses candidates for jobs in the healthcare industry on their proficiency in spoken and written foreign languages. Countries like the US, the UK, Australia, New Zealand, Dubai, and Singapore recognize the OET test. OET ensures health professionals have the required English language communication skills to deliver safe and high-quality care.

In order to accomplish career guidance and Occupational English Training, Shri Sathya Sai College of Nursing in association with the Immense Immigration and Education Services conducted a very enlightening sensitization training programme on "Occupational English Training" on 06 June 2023. The training program provided a platform for the students to interact with professionals. Prof Dr Helen Shaji JC, Principal SSSCON was the Organizing Chairperson of the program. The program was carried out for an effective one hour duration. The resource person for the session was Mr Ariyaputhiran Vinayakam Head, Learning and Development at IMIMS.

He gave an elaborate introduction about the OET examination and various opportunities and scope in the field of Nursing. He suggested varied ways and ideas on how to opt the career in abroad. He further highlighted that Career guidance plays a very important role in the lives of all individuals, as it helps in setting future goals and chooses careers. Career guidance is much needed service to those who did not plan for their future at an early stage; more should be done to assist the younger generations in personal career development.

He mentioned that OET syllabus or structure has listening, reading, writing, and speaking components. Each of these sections will have a time limit to which the test taker must adhere to attempt and pass it. He expressed that OET is accepted by healthcare regulators in the UK, the US, Canada, Ireland, Australia, New Zealand, Singapore and Dubai for registration purposes, as well as by immigration authorities in the UK, the US, Australia and New Zealand for specified categories where proof of English language skills is required. All the

students were highly motivated and enlightened about various opportunities after completing their training Course.

At the end of the session the students cleared their doubts by asking various questions regarding the confusions, they usually face while deciding their career. MoU was signed by Prof Dr Helen Shaji JC, Principal, SSSCON and Mr Ariyaputhiran Vinayakam Head, Learning and Development at IMIMS.

It was a very informative day for the students and faculty members who attended the session. The program came to an end by 1pm.

#### Summary of the report

*(in minimum 150 words, in a prose format for web information, social media and press)*

Shri Sathya Sai College of Nursing has organised the event for signing the MOU (Memorandum of Understanding) with on 03.07.2023 at 3pm at SSSCON. The MOU is signed for the mutual sharing of OET training facilities for the Final year B.Sc Nursing students. A sensitization program was arranged on behalf of this event for final and prefinal year students. Prof Dr Helen Shaji JC addressed the gathering with the keynote address. The interactive session was carried out by Mr A Vinayakam, Head-Learning & Development, IMIMS, Chennai. He spoke about their motto 'Creating Job Creators' and enlightened on a path besides jobs. He also covered the stages in completion of OET training session. Overall the programme helped the students to have a better understanding of the OET training.
